Employees 200

Founded (year) 1982

Carpus+Partner is an internationally active consulting and planning company with a total of 200 employees at three locations in Germany. As consultants, experts and multi-disciplinary planners for complex construction projects with a focus on corporate real estate, we solve all of the tasks from the first idea to the added value of the property. We are partners of the life sciences and hightech industry.

Our clients include medium-sized and globally operating pharmaceutical and biotech companies, large hospitals, a large number of universities and research-based industrial companies.
