Jostarndt-Patentanwalts-AG is a law firm located in Aachen with a branch office in St. Augustin. Our team of six committed patent attorneys, all of them with previous industry-experience, provide comprehensive consultation service on all areas including patents, utility design, trade marks, design, licensing, and IP portfolio management – both nationally and internationally. Our expertise covers all technical and scientific fields with a specific focus on biotechnology & life science, chemistry, electrical engineering, electronics and software, logistics, mechanical engineering, medical technology and telecommunications. Complemented by our strength in combating product piracy, enforcing the rights of our clients and defending them against attacks by third parties, our goal is to effectively uphold the corporate values and protect the competitive positions of our clients.
