<i>Founded (year)</i>	1996

Established in 1996 phi-med serves its customers in providing comprehensive service for most medical, laboratory, and video equipment with special focus on inspection, maintenance, and repair.

Located in Jülich, NRW, Germany phi-med's primary service area is North Rhine Westphalia (NRW). Beyond NRW we support nationwide projects of selected customers.

Phi-med holds all relevant ISO certificates like ISO 9001:2008 and ISO 13485:2003 and is a recognized subcontractor for industry leaders.
