The Region Aachen is the regional development corporation of the districts of Düren, Euskirchen, Heinsberg, the city of Aachen und the city region of Aachen. The Region Aachen organizes the cooperation of its partners and has the task to shape a regional and euregional structural development for economy, education, culture, health and infrastructure.

The Region Aachen organizes the focus group health in the DigitalHub and the Health Region Aachen, whose aim is to bring innovative products and services for use in medical care and the market and to ensure the health care in the region at a high level. Together with Medlife e.V., the IHK Aachen, the state of North Rhine-Westphalia and the health authorities and business development agencies in the Region Aachen, we focus on regional innovation/digitalization, securing skilled workers, healthy work and care in rural areas.
